Winemaker	: Mr. Marco Monchiero
Alc./Vol	: 14%
Res. Sugar	: 1,8g/L
Total Acid	: 4,6g/L
pH	: 3.6

WINEMAKER'S NOTES

A dry red wine made from Öküzgözü grapes (pronounced Ookoos Zoo). It has an intense ruby color with bright purple and ruby reflections. The nose has notes of red fruits, cherry, nutmeg, tea and strawberry jam. The wine is soft and pleasant to drink with full and well-balanced tannins and has a long finish.

THE VINEYARD - Kalecik / Ankara

Vinkara's Kalecik vineyard is located northeast of Ankara in the Mid-Northern Anatolia province. At an altitude of over 2,000 feet, the vineyard is surrounded by nearby mountains and the Kızılırmak River. The river creates an extraordinary mesoclimate for producing wines with naturally high acidity that are powerfully complex.

CELLARING

Ready to drink upon release, this wine will continue to improve for 2-4 years.

IDEAL FOOD MATCH

Pairs well with lamb, meat pies, small game, pasta dishes with succulent sauces.
